| Important Questions | Answers | Why This Matters: |
|---|--|--|
| What is the overall deductible? | Medical In-network: \$300/individual or \$700/family; Medical Out-of-network: \$300/individual or \$700/family. | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. <u>Preventive care</u> , <u>DME</u> , TMJ, dental, covered services received through a direct contract preferred vendor or at a Local 150 Primary Medical Home (Operators' Health Center (OHC), Everside Health Centers & Midwest Coalition of Labor Health Centers (MCL Health Centers)), orthoptic training, and <u>innetwork prescription drugs</u> are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ? | Medical In-network: \$2,500/individual or \$6,000/family; Medical Out-of-network: \$2,500/individual or \$6,000/family; Prescription Drugs (in-network): \$2,000/individual or \$4,000/family; Prescription Drugs (out-of-network): \$4,000/individual or \$8,000/family. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket</u> <u>limit?</u> | Premiums, balance-billing charges, Family Supplemental Benefits, TMJ, orthoptic training, dental benefits administered separately through a direct contract preferred dental vendor, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |

Effective April 1, 2022, under the Consolidated Appropriations Act, providers will no longer be able to balance bill members for certain services outlined under the No Surprises Act. For more information regarding Your Rights and Protections Against Surprise Medical Bills, visit http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf.

| Will you pay less if you use a <u>network</u> <u>provider</u> ? | Yes. Call 1-800-810-2583 for a list of medical network providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network</u> <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
|---|---|---|
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No. | |
