The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see <u>local150.org/moe/</u> or call 1- 708-579-6600. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Medical <u>In-network</u> : \$5,000/individual or \$10,000/family; Medical <u>Out-of-network</u> : \$10,000/individual or \$20,000/family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>In-network preventive care</u> , TMJ, covered services received through a direct contract preferred vendor or at a Local 150 Primary Medical Home (Operators' Health Center (OHC), Everside Health Centers & Midwest Coalition of Labor Health Centers (MCL Health Centers)), orthoptic training, and <u>in- network prescription drugs</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical <u>In-network</u> : \$5,000/individual or \$10,000/family; Medical <u>Out-of-network</u> : \$10,000/individual or \$20,000/family; <u>Prescription</u> <u>Drugs (in-network</u> ): \$1,600/individual or \$3,200/family; <u>Prescription Drugs (out-of-network</u> ): \$4,000/individual or \$8,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, Family Supplemental Benefits, TMJ, orthoptic training, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .

Effective April 1, 2022, under the Consolidated Appropriations Act, providers will no longer be able to balance bill members for certain services outlined under the No Surprises Act. For more information regarding Your Rights and Protections Against Surprise Medical Bills, visit <a href="http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf">http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf</a>.

Will you pay less if you use a <u>network provider</u> ?	Yes. Call 1-800-810-2583 for a list of medical <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
