# PLAN E-1 PPO SCHEDULE OF BENEFITS NON-MARKETPLACE (MONTHLY)

Effective April 1, 2024

All benefits are subject to eligibility, maximum Plan benefit, reasonable and customary determination (or negotiated fee amounts for PPO provider services), and any special limits noted in the Plan. Charges that exceed the reasonable and customary amount or other Plan limitations will not be considered eligible in determining Plan benefits.

Special rules apply to any benefits subject to the No Surprises Act. The No Surprises Act protects patients who receive emergency services at a hospital, at an independent freestanding emergency department and from air ambulances. In addition, the law protects patients who receive emergency services from an Out-of-Network provider at an In-Network facility. In certain circumstances, non-emergency items or services that are otherwise covered by the Plan from an Out-of-Network provider who is working at an In-Network facility are also subject to the No Surprises Act.

For benefits subject to the No Surprises Act, any cost-sharing payments count toward your In-Network deductible and In-Network Out-of-Pocket Expense Maximum. An explanation of your rights under the No Surprises Act is available at <a href="http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf">http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf</a>.
