

# BRONZE PPO PLAN

## SCHEDULE OF BENEFITS

### OWNER OPERATOR OR RELATIVE (MONTHLY)

Effective April 1, 2024

All benefits are subject to eligibility, maximum Plan benefit, reasonable and customary determination (or negotiated fee amounts for PPO provider services), and any special limits noted in the Plan. Charges that exceed the reasonable and customary amount or the Plan limitations will not be eligible in determining Plan benefits.

Special rules apply to any benefits subject to the No Surprises Act. The No Surprises Act protects patients who receive emergency services at a hospital, at an independent freestanding emergency department and from air ambulances. In addition, the law protects patients who receive emergency services from an Out-of-Network provider at an In-Network facility. In certain circumstances, non-emergency items or services that are otherwise covered by the Plan from an Out-of-Network provider who is working at an In-Network facility are also subject to the No Surprises Act.

For benefits subject to the No Surprises Act, any cost-sharing payments count toward your In-Network deductible and In-Network Out-of-Pocket Expense Maximum. An explanation of your rights under the No Surprises Act is available at <http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf>.

Eligible expenses must be medically necessary and are subject to the Plan Year deductible unless otherwise noted. Age limitations, as specified in this *Schedule of Benefits*, are applied as of the last day of the month in which the eligible dependent's birthday occurs.

Employee Eligibility	
<b>Initial Eligibility</b>	The first day of the month for which your employer is required to and makes contributions to the Fund.
<b>Continuing Eligibility</b>	Continuing eligibility will be determined on a month-to-month basis as long as your employer makes the required monthly contribution to the Fund on the Owner/Relative's behalf. The amount of the required monthly contribution is established by the Trustees and set in the employer's participation agreement with the Trustees.
<b>Self-Payments</b>	Owner/Relatives may not make self-payments to the Fund, other than COBRA payments, to continue eligibility.
<b>Termination of Eligibility</b>	Eligibility for an Owner/Relative will terminate upon the earliest of the following dates: <ul style="list-style-type: none"> <li>• The last day of the month for which the contributing employer made the required contribution to the Plan;</li> <li>• The last day of the month in which your employment with the employer terminates;</li> <li>• The last day of the month before the month in which the employer is no longer signatory to a participation agreement allowing contributions to be made to the Plan; or</li> <li>• The date of your death.</li> </ul>
