

# Midwest Operating Engineers *Free Services*

As a Local 150 member covered under one of Midwest Operating Engineer's Health Plan Options, you and your eligible dependents have access to free and discounted services through our exclusive partners.

- **Free preventive health services** at in-network providers (Refer to your Plan's Schedule of Benefits for network information). For a complete list of services for adults, women, and children, visit [healthcare.gov/coverage/preventive-care-benefits/](https://healthcare.gov/coverage/preventive-care-benefits/)
- **Free quality health care at Local 150 Health Centers:**
  - Operators' Health Centers - [members.premisehealth.com/moe/](https://members.premisehealth.com/moe/)
  - Everside Health Centers - [eversidehealth.com/local150](https://eversidehealth.com/local150)
  - Midwest Coalition of Labor (MCL) Health Centers [members.premisehealth.com/moe/](https://members.premisehealth.com/moe/)
  - 15 locations across Illinois, Indiana, and Iowa
- **Free plan covered services** at MinuteClinics within select CVS Pharmacy and Target locations. There are some cash-pay services.
- **Free physical therapy services** through ATI Physical Therapy (if medically necessary)
- **Five free counseling sessions**, per episode, through ERS (our Member Assistance Program)
- **Free type 2 diabetes management program** through Virta (if you qualify)
- **Free MRI, CT/PET scans** through Absolute Solutions Imaging Network (if medically necessary). Not available if Medicare is your primary insurance.
- **Free substance abuse treatment** through Gateway Foundation and Recovery Centers of America (RCA). Not available if Medicare is your primary insurance.
- **Free/discounted services** through the Midwest Coalition of Labor (MCL)

**Member Services**  (708) 579-6600
