OWNER-OPERATOR OR RELATIVE EPO PLAN

MIDWEST OPERATING ENGINEERS FRINGE BENEFIT FUNDS

A Schedule of Benefits explains what services are covered, the associated costs like copays, deductibles, and coinsurance, and any limitations or exclusions that are included, to give you an idea of what you're going to pay for medical treatments and procedures.

Plans' benefits are subject to eligibility, maximum Plan benefits, reasonable and customary determinations (or negotiated fees for PPO dental services) and any special limits noted in the Plan. Charges that exceed the reasonable and customary amount or other Plan limitations will not be considered eligible in determining Plan benefits. To avoid additional out-of-pocket costs, be sure to utilize in-network providers.

What is a Reasonable and Customary Charge?
Actual charge for the service or supply is comparable to what is usually charged for the same service or supply in the provider's geographic area.

Special rules apply to any benefits subject to the No Surprises Act. The No Surprises Act protects patients who receive emergency services at a hospital, at an independent freestanding emergency department and from air ambulances. In addition, the law protects patients who receive emergency services from an Out-of-Network provider at an In-Network facility. In certain circumstances, non-emergency items or services that are otherwise covered by the Plan from an Out-of-Network provider who is working at an In-Network facility are also subject to the No Surprises Act.

For benefits subject to the No Surprises Act, any cost-sharing payments count toward your In-Network deductible and In-Network Out-of-Pocket Expense Maximum. An explanation of your rights under the No Surprises Act is available at http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf.

Eligible expenses must be medically necessary. Age limitations are applied as of the last day of the month in which the eligible dependent's birthday occurs.
