This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, see local150.org/moe/ or call 1-708-579-6600. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>In-network</u> : \$0 <u>Out-of-network</u> : \$300/individual or \$700/family.	<u>In-network</u> : See the Common Medical Events chart below for your costs for services this <u>plan</u> covers. <u>Out-of-network</u> : Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	<u>In-network</u> : Not applicable. <u>Out-of-network</u> : Yes. DME, <u>emergency room care</u> , <u>emergency medical transportation</u> , dental, TMJ, acupuncture, behavioral health/substance abuse, chiropractic care, and skilled nursing facilities before you meet your <u>deductible</u> .	<u>In-network</u> : This <u>plan</u> does not have a <u>deductible</u> . <u>Out-of-network</u> : This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Medical <u>In-network</u> : \$2,500/individual or \$6,000/family; Medical <u>Out-of-network</u> : \$2,500/individual or \$6,000/family; <u>Prescription Drugs (in-network)</u> : \$2,000 individual or \$4,000/family; <u>Prescription Drugs (out-of-network)</u> : \$4,000/individual or \$8,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, Family Supplemental Benefits, dental benefits separately administered through a direct contract preferred dental vendor, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Effective April 1, 2022, under the Consolidated Appropriations Act, providers will no longer be able to balance bill members for certain services outlined under the No Surprises Act. For more information regarding Your Rights and Protections Against Surprise Medical Bills, visit <http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf>.

Will you pay less if you use a <u>network provider</u>?	Yes. Call 1-708-579-6668 for a list of medical <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
