HEALTH PLAN OPTION COMPARISON CHART—Benefits Effective April 1, 2023 through March 31, 2024[1]

Effective April 1, 2023

All benefits are subject to eligibility, maximum Plan benefit, reasonable and customary determination (or negotiated fee amounts for PPO provider services), and any special limits noted in the Plan. Charges that exceed the reasonable and customary amount or other Plan limitations will not be considered eligible in determining Plan benefits.

Special rules apply to any benefits subject to the No Surprises Act. The No Surprises Act protects patients who receive emergency services at a hospital, at an independent freestanding emergency department and from air ambulances. In addition, the law protects patients who receive emergency services from an Out-of-Network provider at an In-Network facility. In certain circumstances, non-emergency items or services that are otherwise covered by the Plan from an Out-of-Network provider who is working at an In-Network facility are also subject to the No Surprises Act.

For benefits subject to the No Surprises Act, any cost-sharing payments count toward your In-Network deductible and In-Network Out-of-Pocket Expense Maximum. An explanation of your rights under the No Surprises Act is available at:

http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf

Eligible expenses must be medically necessary and are subject to the Plan Year deductible unless otherwise noted. Age limitations, as specified in this Comparison Chart, are applied as of the last day of the month in which the eligible dependent's birthday occurs.

1 The No Surprises Act provides patients with protection from surprise medical bills when seeking emergency services or certain services from out-of-network providers at in-network facilities. It also mandates transparency regarding healthcare costs and holds patients liable for in-network cost-sharing amounts. For more information regarding Your Rights and Protections Against Surprise Medical Bills, visit http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf.

2 In-Network services are services available through the Operators' Health Centers (OHC), Everside Health Centers, or HST Care Connect (network for the OHC Plan). Most Out-of-Network services will be subject to HST's negotiated Value-Based Price (VBP) amount. Out-of-Network benefits apply when services are sought outside of the OHC, Everside Health Centers or HST Care Connect.

3 Out-of-Network services are not subject to the deductible if a life-threatening emergency.

4 Not subject to deductible. For details on ACA-mandated preventive care services, visit www.healthcare.gov/coverage/preventive-care-benefits/. For details on ACA-mandated preventive care prescription drugs, visit https://local150.org/moe/benefits/healthcare/. These lists may change periodically, and any changes will be effective April 1, 2023.

5 Out-of-network preventive services are covered only for adult physical exams for member and eligible spouse and well-childcare for children up to age 2.

6 Outpatient chiropractic services are covered at 100% for all health plan options if medically necessary and received at an Everside Health Center, not subject to the deductible.

7 Outpatient physical and occupational therapy is covered at 100% for all health plan options if medically necessary and received at the Operators' Health Center or an ATI Physical Therapy facility, not subject to the deductible.

8 Coinsurance is based on Delta Dental's Allowable Fee. If you use an Out-of-Network provider, you pay the full cost of services above the Allowable Fee.

PLEASE NOTE: *Absolute Solutions Imaging Network provides medically necessary MRI/CT/PET scans. Gateway Foundation and Recovery Centers of America (RCA) provide medically necessary substance abuse treatment and mental health services including but not limited to inpatient /outpatient care and residential facility. If you use these partnered vendors, all medically necessary covered services will be paid at 100%, not subject to the deductible.*
