

# PLAN A-3 PPO SCHEDULE OF BENEFITS NON-BARGAINING UNIT EMPLOYEES

Effective April 1, 2023

All benefits are subject to eligibility, maximum Plan benefit, reasonable and customary determination (or negotiated fee amounts for PPO provider services), and any special limits noted in the Plan. Charges that exceed the reasonable and customary amount or other Plan limitations will not be considered eligible in determining Plan benefits.

Special rules apply to any benefits subject to the No Surprises Act. The No Surprises Act protects patients who receive emergency services at a hospital, at an independent freestanding emergency department and from air ambulances. In addition, the law protects patients who receive emergency services from an Out-of-Network provider at an In-Network facility. In certain circumstances, non-emergency items or services that are otherwise covered by the Plan from an Out-of-Network provider who is working at an In-Network facility are also subject to the No Surprises Act.

For benefits subject to the No Surprises Act, any cost-sharing payments count toward your In-Network deductible and In-Network Out-of-Pocket Expense Maximum. An explanation of your rights under the No Surprises Act is available at <http://local150.org/wp-content/uploads/2022/04/NSA-Notice.pdf>.

Eligible expenses must be medically necessary and are subject to the Plan Year deductible unless otherwise noted. Age limitations, as specified in this *Schedule of Benefits*, are applied as of the last day of the month in which the eligible dependent's birthday occurs.

<b>Employee Eligibility</b>	
<b>Initial Eligibility</b>	The first day of the month following the month in which your employment with a contributing employer begins.
<b>Continuing Eligibility</b>	Continuing eligibility will be determined on a month-to-month basis as long as you continue employment with a contributing employer and the employer makes the required monthly contribution to the Fund on your behalf. The amount of the required monthly contribution is established by the Trustees and set in the employer's participation agreement with the Trustees.
<b>Declining Coverage</b>	The terms of the participation agreement allow certain non-bargaining unit employees to decline eligibility for yourself and/or your dependents and to enroll in the Plan later. Coverage may only be declined, and late enrollment is only allowable if you are covered under another group health plan (including Medicare, Medicaid or a State Children's Health Insurance Program (SCHIP)) or health insurance, subject to the following rules: <ul style="list-style-type: none"><li>• You must complete and sign a waiver form, and provide proof of the other group health plan or health insurance coverage that is satisfactory to the Administrative Manager within 60 days of declining Plan eligibility; and</li><li>• If you decline eligibility for yourself or for your dependents,</li></ul>
